Skin Solutions Dermatology is proud to announce that Dr. Cook is on the cutting edge with the cosmetic side of dermatology!

You are invited to an *Educational Seminar January 31<sup>st</sup>, 2007!* Seminar start at 3:30 and repeats at 5:30. Come and learn about our new procedures—LipoDissolve® & Thermage®!!!!!!!!!!!!!!!!!!!!

### Thermage®

The Thermage® procedure is a radiofrequency treatment. It is a single, non-invasive procedure that requires no downtime. Thermage® has been proven clinically safe and effective. It can be used to treat all skin types for skin tightening; renewal of facial contours and restores healthier collagen. A non-invasive face lift!

### LipoDissolve®

LipoDissolve® is a treatment utilizing a combination of naturally occurring compounds administered through a series of micro-injections for the purpose of dissolving fat away! Talk about cutting edge!

The other areas of cosmetic procedure that Dr. Cook and her staff offer are:

- Botox®
- Restylane® (collagen injections)
- Chemical Peels
- Obagi® Products
- Skin Medica® Products and Peels
- Acne light treatments
- LUMENIS IPL® Quantum Technology
  - Hair Removal
  - Photo Rejuvenation
    - Reduction of unwanted pigmentation
    - Reduction of blood vessel blemishes
    - Treatment of rosacea

As a friend and a Member of the Chamber—mention this at the time of making your appointment and receive a 10% discount in January!

Make an appointment with Dr. Cook for all your general dermatology needs as well.
